Ref. C.No. 7764-39-A5. South Kanara Collector's Office,
Mangalore, dated 5th December 1939.

From

A. C. Woodhouse, Esquire, C.I.E.,
Collector of South Kanara.

To

The Secretary,
Board of Revenue,
Madras.

Sir,

Allowances - Tasdik - (South Kanara) - Mangalore
Teluk - Talpadi village - Institution No. 81 Talpadi
Kodemogar Palli - Arrears - payment - sanction -
solicited.

The institution Talpadi Kodemogar Palli of Mangalore Taluk is in receipt of a tasdik allowance of Rs.12/- per annum under the Bariz Deduction system. The former Moktessors of this institution died about 8 years ago and no appointments in their places were made by the Mahamaddan Religious Committee till about June 1938. The allowance due to the institution since 1932 was therefore not disbursed and is still in arrears.

2. The Mahamaddan Religious Committee appointed Bapakurmi Moliar, Bomayi Beary and Mamu Beary as joint Moktessors of the institution in their proceedings dated 6-6-1938. These Moktessors have been conducting the affairs of the mosque satisfactorily ever since the demise of the former Moktessors and now apply for the disbursement of the arrears of tasdik to them. The institution is in good repair and the services have been regularly performed. Although the institution should have ^{been} struck off the register under B.S.O. 67 para (2) (7), action was not taken as in the meantime appointment was made in place of the deceased trustees. As the non disbursement of the arrears was not due to any fault of the present trustees, I recommend that sanction may be accorded for the payment of the arrears subject to the usual deductions.

Ref. J. No. 5673/39-1 of 18-2-40

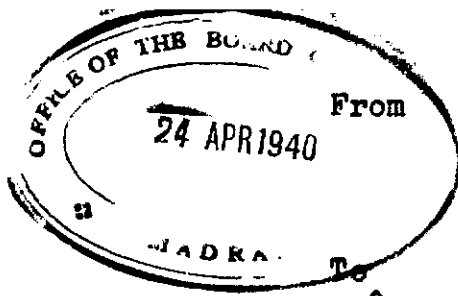

It is seen from the
Collr's letter read above that the
former maktessors of the
institution died about ~~8~~ 8 years
ago and that the present
maktessors were appointed in
June 1938. In view of this
the Collr's report in paragraph 2
of his letter that the present
maktessors have been conducting
the affairs of the mosque
satisfactorily ever since the
demise of the former maktessors
does not appear to be correct. The
Collr. is requested to report
how the services were
performed during the period

between the death of the
former moklessors and the
appointment of the present
moklessors and whether they
were performed regularly and
satisfactorily. He is also requested
to report whether the non-payment
of the arrears ^{can} cannot be attributed
to the neglect of the Muhammad
religious Committee to appoint
new moklessors in time:

the Board of Revenue.

Enquiry shows that though the maktessors
were appointed only in 1938, they have been actually managing
the affairs of the Mosque ever since the death of the former
trustees. The services are said to have been performed regu-
larly and satisfactorily throughout the period between the
death of the former maktessors and the appointment of the
present maktessors.

2. The non-payment of the arrears of tasdik is
attributed to the neglect of the Muhammadan Religious Committe
to appoint new maktessors in time.

Refce: Remarks of the Joint Secretary overleaf.

Q. Com: or sh. o. No. No. 3310 Rev. dated 18-2-40.

referred to by J.S. is put up at (A). The G.O. relates to the revival of lapsed allowances and the payment of arrears after readmission. In the present case the allowance has not lapsed. Besides the services rendered, it is reported to have been performed regularly and satisfactorily during the period for which the arrears are claimed. If the allowances were in arrears for less than six years, the Collector would have ordered its payment. In this case it has been in arrears for more than six years. In such cases the practice is for the Collector to get the sanction of the Board for the payment of arrears. Hence the sanction of the Govt. is not required for the payment of arrears.
